NEWPORT BEACH, CALIFORNIA

So Easy to Get To... and You Won't Want to Leave!

Newport Beach is one of the most convenient meeting destinations for travelers from near and far and is serviced by three major airports. Together, these airports — Orange County/John Wayne Airport (5 miles), Long Beach Airport (25 miles), and Los Angeles International Airport (45 miles) — represent all major domestic airlines.

THE WEST COAST'S BEST MEETING LOCATION AND AMENITIES

Newport Beach enjoys pride of place on the California Riviera, situated between Los Angeles and San Diego — an easy, approximately one-hour drive from either city — and within easy reach of all Southern California attractions, including Disneyland, Knott's Berry Farm, Legoland, and Universal Studios Hollywood. This idyllic location is convenient — serviced by three major airports — and provides lovely year-round weather, with an average temperature of 70 degrees. In addition to encompassing miles of spectacular coastline, pristine white sand beaches, a renowned yacht harbor, a picturesque nature preserve, and world-class golf courses,

BALBOA BAY RESORT BOARDROOM

Newport Beach features distinctive hotels, designer and boutique shopping, and fine dining restaurants and casual eateries to please even the most discerning gourmet.

An Abundant Array of Group Activities

Thanks to its stunning bay-to-beach location that encompasses miles of pristine coastline, a world-class yachting harbor and a scenic nature preserve, Newport Beach presents more options for fun and team building than any other destination. In Newport Beach, your group will select from an abundant and appealing array of exciting group activities, including electric boat cruising, sailing, surfing, stand-up paddle boarding, kayaking, hiking, biking, Segway tours, golf, tennis, and more. Every experience can be customized to your group's size, interest and schedule.

Unique Offsite Venues

Although it can be tempting never to leave your hotel, with its luxurious amenities and magnificent meeting spaces, you may want to consider one of Newport Beach's many unique offsite venues for a special event.

Meeting planners seeking to wow attendees will be impressed by Newport Dunes Waterfront Resort & Marina. Gracing a scenic waterfront stretch of the Back Bay Nature Preserve, this 50,000 sq. ft. resort can accommodate gatherings ranging from a grand tented affair, to team-building events enjoyed via water sports on the Bay.

Surf & Sand

Spend the day sunbathing, splashing and exploring tide pools at Crystal Cove, then enjoy a sunset dinner and cocktail with coastal views.

Shop & Stroll

Soak up some sunshine while you shop world-renowned designer stores and one-of-a-kind boutiques. Fashion Island, a luxurious open-air retail mecca, encompasses specialty stores and outdoor
