

OUR COMMITMENT TO CLEAN

LIDO HOUSE NEWPORT BEACH

OUR PROMISE

Staying knowledgeable is key. This 'new normal' may evolve and change over time to reflect government guidance and new societal expectations. You will see reduced capacities throughout the property including our pool, currently open daily at 50% occupancy.

Looking to fit in a workout? Reservations required to ensure equipment is properly disinfected after each use. What will never change, though, is our commitment to keeping hotel associates, guests and customers safe and comfortable. This is our utmost priority.

DEEPER MORE FREQUENT CLEANING

We have enhanced cleaning protocols to disinfect every inch of our beach house, ongoing and especially during peak usage. This includes guest rooms, high-touch public area items such as elevator touch pads, and public restroom handles. We have also added hand sanitation stations throughout the property.

LESS CONTACT, MORE CONNECTION

Utilize the Marriott Bonvoy app to enter your guest room with your touch-less Mobile Key. Meeting of the minds? We are equipped to support your next hybrid meeting via livestreaming services. Ask about our state of the art audio visual services.

NEW ARRIVAL EXPERIENCE

Our amazing valet team, Brand Enhance, has taken safety protocols seriously. From wearing masks and gloves to using wheel and gear shift coverings while inside your car, they have you covered.

SAVOR THE FRESHEST INGREDIENTS

Enjoy Mayor's Table Pacific Pub + Kitchen, our signature restaurant for socially distanced in restaurant dining, also available to-go or in room dining. Looking for a quick bite? Crew Coffee + Cremerie is the perfect place for your morning pick me up or afternoon sweet. Hosting a meeting? Our team has implemented safely prepared boxed cuisine options without lacking flavor or experience.

YOUR SANCTUARY

Rest easy knowing that each room is sanitized and disinfected between each stay. We have also removed high-touch, reusable items from each guest room. Upon request, you can choose to forego housekeeping to reduce contact during your stay. You can also arrange for amenities to simply be dropped off at your door.
